LAUNDRY - FABRIC WASH

Specially formulated for washing baby-wear and diapers. Unlike normal detergents which may contain harsh chemicals. Kodomo baby laundry detergent contains only carefully selected pure, gentle and safe ingredients that do not remain on fabric. Its pH balance and safe, gentle formula ensure no irritation to babies' sensitive skin. Its delicate cleansing agent effectively removes milk, food, urine and faecal stains. It has a soft, pleasant fragrance which is safe for babies' skin and is tested to International Dermatological standards.

LAUNDRY - SOFTENER

Kodomo Baby Laundry Softener is formulated exclusively for baby-wear, towels, linen and diapers to provide the softness and comfort babies deserve. Begin by washing the fabrics separately with Kodomo Baby Laundry Softener with its special Soft and Dry formula. Its unique absorbent agent helps increase the absorption of sweat and dampness from baby fabric. Its carefully selected pure, gentle and safe ingredients ensure no irritation to baby's delicate skin and make your baby feel dry and comfortable all day. It also has a pleasant but gentle safety fragrance that is tested to International Dermatological Standards.
